Parent involvement and support is critical for the success of the swim team. The meets are organized and run by parent volunteers. There are opportunities for every personality type and no previous experience is necessary for most jobs. You will be required to work 1st or 2nd half. Please indicate the areas you are interested in working by circling one or both halves. We make every effort to assign you to an area you prefer. If no indications are made, you will be assigned to tasks where we have a shortage. Each parent will need to select a **minimum** of two different jobs you would be willing to do. It takes 65 workers per meet.
